YEARS 4-6 ATHLETICS SPORTS DAY CARNIVAL
Well done to all of the students who competed at the Inter-house Years 4-6 Track and Field Carnival. A great effort by all! Special thanks to those families who attended the Carnival, staff who assisted on the day and to Mr Don for all of his hard work in setting up for the day. Congratulations to the winning house BANSKIA and AGE CHAMPIONS!!

PREP-YEAR 3 ATHLETICS SPORTS DAY CARNIVAL
The Prep-Year 3 students all did exceptionally well at this year’s Athletics Carnival and fun was certainly had by all! Thank you to all of the families who came along and gave their support. Once again many thanks to Mr. Don who spends many hours before and after these Carnivals setting up. Congratulations to the winning house Melaleuca!!!

Tuesday 16 August
Carnival Day 3
Dear Students, Parents and Friends

Welcome to another edition of the Cool School News. We are at the end of week 2 and we have had many great things happening across our school this past fortnight. I am so proud to see all of our students eagerly engaging with their Term 3 learning. Well done everyone you are all demonstrating the behaviours of great learners.

Sports Carnivals.
The first two Wednesdays of the term were very busy with our Senior than Junior Inter-House Athletics Carnivals. Congratulations to all students on their fantastic participation and sportsmanship. A special thank you to the students from Alexandra Hills State High School and our House Captains who did an amazing job supporting our students on these days.

The Arts
This year we have embarked on the quest to further develop our Arts Excellence Programs across the school. On Friday last week our School Band accompanied by Mr Tickner and Mrs McLeish performed at local child care and aged care facilities. Our students performed wonderfully and represented our school superbly.

Also, on this day another group of students attended the Creative Generation matinee performance at the Brisbane Exhibition and Convention Centre. While representing our school well, these students developed a great appreciation for the work that goes into such a performance and are eager and enthusiastic about the prospect of applying for the 2017 program.

School Uniforms
At a recent P&C Meeting our P&C decided that it is time to officially phase out ALL old style uniforms. This will mean that from 30th June 2017 only the new style uniform will be allowed. A more detailed memo with photos of approved uniforms will follow in the coming week.

Prep Open Day
Our first Prep Open Day for students will be on 27 July 2016.

This is an opportunity for you and your child to attend a session with one of our friendly Prep Teachers and begin developing a level of confidence and comfort with being at ‘big school’. This session will run from 11:45am to 1:00pm.

To attend we ask that you contact the school on 3906 4333 to register your interest by Monday 25 July. We look forward to seeing many of you at this event.

School Opinion Survey
Earlier this week students who are the eldest in the family took home information about our Parent Opinion Surveys. Please take 10—15 minutes to complete these surveys as they provide useful information about our school for future planning purposes.

If I can be of any assistance please don’t hesitate to make contact.

Kind Regards

Mick Lawrance
Principal
This week our Year 4 students have been participating in their Year 4 Camp at Numinbah Valley Environmental Education Centre. From all accounts, a great time has been had by all. We look forward to the groups return and hearing the many amazing stories they have to share. Thank you to Mrs Daley, Mrs Everitt and Mrs Marshall for sending photos through for us to share in the edition of the Cool School News.
Our Positive Behaviour for Learning
goal for the coming week is:
We place rubbish in the bin

INTER-SCHOOL SPORTS DATES (YEARS 4-6)
Please note that there will be an Inter-school Sports Carnival Day this term on Tuesday 16 August. The sports this term will be European Handball, Nucombeball and Oztag. Students have now nominated their preferences and training will commence next Wednesday afternoon at 2.00pm. Notes will be sent home shortly with more details.

FROM THE BUSINESS SERVICES MANAGER

Security Risk Management
This term we are undertaking a biennial Security Risk Assessment of our school facility and will review many practices and policies in use every day at Coolwynpin State School. It is important to keep our school community informed about our risk management strategies and to promote various ways we can all be involved in keeping our school environment safe.

Signage
Signage is an important security risk management strategy to reinforce the transition from public space to school grounds. New signs will be placed on all of our school entry gates and it is hoped that all school community members, and visitors to our school, will take notice of these important reminders. The safety of our students is the primary concern when setting restrictions to pedestrian and vehicle entry to our school grounds.

School Watch – Look, Listen, Report – 13 1788
This is a partnership between Education Queensland, Queensland Police Service and State Government Protective Security Services (SGPSS) and aims to encourage the community to watch over schools and report suspicious activity to a central reporting telephone number: 13 1788. It is designed to make sure that suspicious activities are reported and that members of the community are not placed at risk of harm or injury by intercepting an incident in progress.

From the Arts Teacher
This term students are studying Visual Art and Music in the Arts Room and they are off to a flying start. Students were introduced to the theory of art through the Elements of Art and Principles of Design. They will use this knowledge over the coming weeks as they replicate, analyse, respond to and create their own artwork. This week students in Yrs 3-6 looked at line and added line to a basic pattern template. Check out their work below!

Some students from years 3-5 were given the opportunity to attend Creative Generations State Schools onstage last Friday – it was truly something else! More than 1,700 state school students from Primary and High schools all over QLD came together in a production that took us, the audience all over the world. Some of our highlights were a fantastic rendition of ‘Like a Drum’ with a huge drum orchestra, and a beautiful African group performing ‘Circle of Life’ from the Lion King. We look forward to sending out their work below!

Prep A Report
Welcome to term 3! Can you believe that is half the year gone already? Prep A have been so busy and have grown so much over the past two terms, I can only imagine how far we will continue to progress. We have a busy term ahead in literacy as we will be continuing to develop our sight word recognition, increasing our fine motor skills including writing and letter formation, developing our letter and sound knowledge and beginning reading strategies. In maths we will be expanding our number knowledge and understanding and continuing our exploration of capacity, measurement, patterns, shapes, duration and positional language. We are excited about and enjoying our new science unit about weather and the introduction of geography to the prep curriculum this term. Home readers and sight words will continue to be sent home and if you are available any mornings to change readers your help would be greatly appreciated. Feel welcome to contact me at any time in regards to your child.

Prep B Report
Wow what a fantastic start to the term we have had! We have all come back from holidays ready to learn! We have a busy term ahead in Prep B. In maths we are continuing to develop our measurement, shape and pattern knowledge as well as our number sense.
In English we are focusing on quality literature and responding to different stories, we are continuing to expand our sight word knowledge as well as practicing our reading strategies in guided reading groups!
In science we have started our weather unit and are very excited to be starting geography for the first time and discussing and exploring different places.
As always in Prep B, we are learning through fun and engaging activities and making sure that everyday we have fun and try our hardest!

Prep C Report
Sports Day 2016
This week Prep C participated in their very first sports day! We were all very excited to sing our house war cries and try and earn points towards our team's total score. Prep students ran in races and enjoyed field events such as egg and spoon races, high jump and javelin, just to name a few. We were so very proud with all of the delightful sportsmanship we saw during the athletics day. It was wonderful to see Prep students cheering on others and congratulating peers on a job well done! Everyone enjoyed the day and we look forward to next years.
Our Annual Wall Planners Have Been Distributed

Your child received our Annual Wall Planner recently to take home! If you did not receive one please contact our Administration Staff.

These planners are a fantastic communication tool letting you know all our important School dates over the next 12 months.

If you would like the opportunity to showcase your business on our next planner please do not hesitate to contact classroom calendars on 1300 987 650.

Please support the community that supports your school. It’s easy to find local Traders & Businesses in your Neighbourhood!

Greater Brisbane Junior Tennis (GBJT) conducts weekly Tennis Fixtures at the Queensland Tennis Centre, Tennyson and The University of Queensland for children up to 18 years of age. Grading day for new players is to be held on Sunday 24 July at the Queensland Tennis Centre, Tennyson from 3pm to 5pm. Further information is available at www.gbjt.org.au or by phoning Mrs Peta Davis on 3374 0516.'
